

4-H Clothing Buymanship Tuesday Week 2 Challenge

Wardrobe Planning

Wardrobe Inventory

Complete the sample wardrobe inventory available at https://www.geary.k-state.edu/4-h/virtual_buymanship_lessons.html. Then answer the following questions:

- Can you identify your wardrobe strengths?
- Does your wardrobe have some weaknesses and specific needs?
- Are there clothing items that need to be replaced?
- Do you have clothing items you do not use but would like to wear if you had something to wear with them?

Clothing Plan of Action

Complete the clothing plan of action available at https://www.geary.k-state.edu/4-h/virtual_buymanship_lessons.html.

Clothing Coordination

- To get the most from the clothing you have, it's important to recognize and identify items that look nice together.
- Clothing that can be mixed and matched with more than one other item helps to extend the wardrobe.
- Practice clothing coordination by taking two or three outfits and mixing and matching the individual items to multiply the number of outfits.

Questions to think about:

How many colors are in your wardrobe? What is your most frequent color?

What is the condition of most of your clothes?

How often should you update your clothing inventory?

How does having a clothing inventory help you consider clothing alternatives?

What are other times or situations in life when an inventory would be helpful?

K-State Research and Extension is an equal opportunity provider and employer.
