

Game Jar

- Find a wide mouth jar to use for this activity.
- Decorate the jar with pictures of things your family likes to do together.
- Give each member of your family 3-5 pieces of paper (about 1"x2" in size). The larger the family, the fewer you should give each member.
- Have each member write the name of a family-friendly game they like to play.
- Each member folds their piece of paper in half and places it in the game jar.
- Whichever family members find the egg with "Game Jar" get to draw from the jar to see what game the family will get to play!

Resilient Relationships
